ABOUT THE PROGRAM

The CAFSC LTS program teaches skating fundamentals to Tiny Tots thru Adults. Our coaching style is based on the Ice Skating Institute Learn-To-Skate program & the JSFSA Skate With U.S. Basic Skills program, which is the learn-to-skate program officially recognized by USA Hockey. Our program is designed to teach your child skating skills in a fun, yet structured environment. We offer several sessions so that the skaters have an opportunity to progress through many skating levels while strengthening their skills.

Upon completion of our LTS program, our child may wish to continue in our Basic Skills Program, which teaches the stroking & turning skills required for figure skating & hockey programs!

ABOUT THE COACHES

Faye Greel heads up our Program as Learn-To-Skate Director, bringing us over 20 years' experience teaching skating to not/beginner levels, as well as advanced levels. She is currently a competitive skater with the Skating Club of Boston's Adult Theater-Once Team "Imagica".

All of our coaches are registered professional coaches of the Ice Skating Institute.
